

A corporate anointing comes on the believers to do great exploits (to get the job done).

- Psalms 133:1-3 corporate anointing (unity)
- Matthew 18:19,20 the power of agreement
- Genesis 11:1-9 the tower of Babel (oneness)

God speaks the vision into the heart of a local Pastor or a ministry leader, and *the vision must get inside the believers!*

Then they are to “Run With The Vision” with all of their *heart, might and soul* until it comes to pass.

Take hold of the vision and began to run with it!
